Mountain Biking: Since 2009 - Four Or Five Times Per Week

Bio

I'm 19 yrs. old and have been traveling the country and world mountain biking with my family since 2012. I have visited most of the major trail systems and bike parks in the USA and Canada.

I grew up racing road and xc and at the age of 16, I started racing Enduro and was hooked on the community and race format. In 2024 I finished 2nd overall in the Cascadia Dirt Cup: U21 Pro. I have also gotten to race in France where I got 26th in the EDR open U21. Next year I plan on moving up to pro in the Cascadia Dirt Cup and to try to do national level races. I'm also passionate about working with kids to inspire them to love riding bikes. I first started working with kids via my family's non-profit introducing Strider bikes at PreK and Kindergarten and now I coach kids ages 6-16 for the Bend Endurance Academy including coaching the Enduro race team. I also passed my Professional Mountain Bike Instructor Association (PMBIA) Level 1 class in 2022.

Highlights

1st place Cascadia Dirt Cup, North Slope, Expert Boys 17/18
1st place Cascadia Dirt Cup, Galbraith, U21 Men
